## Merit Badge Day

Scoutmasters, please submit a list of the scouts attending and the merit badge they would like to take. The deadline for submission is COB 14 January 2019. We will do our best to accommodate your request. The swimming MB and climbing MB will be filled by rank first, the rest of the merit badges will be filled on a first come, first served basis so it is beneficial to get your requests in early, however, please compile your entire Troop's list for submittal (not individually) . Please note that some of the merit badges are offered for the morning or the afternoon session and some of the merit badges require the entire day. Some merit badges have a cost associated to cover the cost of materials or have special requirements so please ensure that your scouts are aware of these requirements. Also, please make sure your scouts take note of the prerequisites. Please have your blue cards filled out ahead of time to be turned into the merit badge counselor.
